

# Have You Heard of It?

You may have heard about SCOTT'S EMULSION and have a vague notion that it is cod-liver oil with its bad taste and smell and all its other repulsive features. It is cod-liver oil, the purest and the best in the world, but made so palatable that almost everybody can take it. Nearly all children like it and ask for more.

## SCOTT'S EMULSION

looks like cream; it nourishes the wasted body of the baby, child or adult better than cream or any other food in existence. It bears about the same relation to other emulsions that cream does to milk. If you have had any experience with other so-called "just as good" preparations, you will find that this is a fact.

The hypophosphites that are combined with the cod-liver oil give additional value to it because they tone up the nervous system and impart strength to the whole body.

### Spanish-American War Panorama

Is one of the war books which is likely to be in continuous demand. It is a panoramic record of the triumph of Yankee Doodle. The eagle flaps his wings on every page, and "Old Glory" waves around and above every scene. Prominent officers connected with the war are here portrayed, as well as many of the "men behind the guns." Military life is pictured to the eye, from recruiting to guard mount and skitish line. Nor is the ludicrous omitted. The company cook receives the attention due to his importance; the mess is shown; cavalry scenes are given; the hospital arrangements are depicted; the heroines of the Red Cross service are displayed; street scenes in Havana, Santiago and elsewhere are unrolled; the new citizens or subjects (which are they?) of Uncle Sam appear and disappear as the leaves are turned.

In a word, the gazer visits the new localities and sees the tumultuous new life, without the risk or expense of a sea voyage. The Album is 5 1/2 x 8 inches, weighs 12 ounces, printed on finest coated paper. Sent FREE to any address in the United States, Canada or Mexico, for 12 cents in stamps or coin, to cover postage and packing. Copy may be seen at any local office of the Big Four Route. Order at once, as the edition is limited. Address WARREN J. LYNCH, General Passenger and Ticket Agent "Big Four Route," Cincinnati, Ohio. Mark envelope "War Album," 10a

### CASTORIA.

The Kind You Have Always Bought Bears the Signature of

Dr. J. C. H. Fletcher

It is just a year since the Chicago, Milwaukee & St. Paul road inaugurated its celebrated Pioneer Limited passenger train service between Chicago, Milwaukee, St. Paul and Minneapolis.

This service marked a new era in the railway world in the line of passenger accommodations. At a cost of a quarter million dollars that progressive company furnished the traveling public, in its Pioneer Limited train, comforts and facilities the best ever produced. This train has been described many times in newspapers and magazines, but should be seen and examined to be appreciated. In beauty of finish, richness and elegance of furnishing nothing equal to it has ever been attempted by any other road. The car builders were nearly a year in completing the Pioneer Limited trains (there are two—one leaving Chicago for the West and the other leaving the Twin Cities for the East every evening in the year) and they stand today a monument to the builder's art. No regular passenger train service in America is as well known as the Pioneer Limited. From the standpoint of passenger traffic the past twelve months have been the most successful in the history of the St. Paul road made so very largely by the Pioneer Limited. The patronage of this service is a striking illustration of the fact that the public appreciates a good thing. 13b

### WILL SEND \$2.50 FREE

To Each of Our Readers. Franklin Miles, M. D., L.L.B., the Celebrated Chicago Specialist Will Send \$2.50 Worth of His New Special Treatment Free.

When an experienced physician offers to give away \$10,000 worth of a New Treatment for diseases of the heart, nerves, stomach, or dropsy, it is conclusive evidence that he has great faith in it. And when hundreds of prominent men and women freely testify to his unusual skill and the superiority of his New Special Treatment his liberality is certainly worthy of serious consideration.

That Dr. Miles is one of the world's most successful physicians is proven by hundreds of testimonials from well-known people. One patient cured after failure of eleven Grand Rapids physicians, two after being given up by six and seven Chicago physicians, another after nine of the leading doctors in New York City, Philadelphia and Chicago. Thousands of testimonials sent upon request.

The eminent Rev. W. Bell, D. D., of Dayton, Ohio, General Secretary of Foreign Missions, writes editorially in the State Sunday School Union: "We desire to state that from personal acquaintance we know Dr. Miles to be a most skillful specialist, a man who has spared neither labor nor money to keep himself abreast of the great advancement of medical science." Col. Tucker, late General Manager N. Y. L. E. & W. R. R., of Cleveland, writes: "Dr. Miles, M. D., of Cleveland, Ohio, says: 'I took Dr. Miles' New Treatment for six weeks and the results were marvelous.' Mrs. M. H. Morelan, of Rogers, Okla., writes: 'For 25 years I had heart trouble, could not get relief. Before your treatment could not raise myself out of my chair. You saved my life.' Miss Josie Thompson, of Circleville, Ohio: 'A consultation of doctors said there was no help for me. It is now four years since I took your new treatment. Have done much hard work since.'

This new system of special treatment is thoroughly scientific and immensely superior to the ordinary methods.

As all afflicted readers may have \$2.50 worth of treatment especially prepared for their case, free, with full directions, we would advise them to send for it at once. Address DR. FRANKLIN MILES, Thirteenth Floor, Masonic Temple, Chicago.

### AN IMPORTANT TEST.

Your Life May be Prolonged by Applying It.

Do you realize the importance of the Kidneys and Bladder when diseased? They make a lot of trouble—tear down the system and create gravel (stone in the bladder). Women often suffer from so-called "female weakness" when their trouble really lies with the Kidneys and Bladder. Try this test. Put some urine in a tumbler. Let it stand twenty-four hours. If there is a sediment, a cloudy or milky appearance, your Kidneys are sick. If you are obliged to urinate often, especially during the night; if your urine stains linen, if you have scalding pains in passing it, if your back pains you, your Bladder and Kidneys are diseased, and you should at once take the greatest of all Kidney medicines, Dr. David Kennedy's Favorite Remedy. It has cured the most distressing cases; it will cure you.

It corrects the bad effects of beer or whiskey, will cure old and chronic cases of Rheumatism and Dyspepsia and acts gently yet promptly on the Bowels. Favorite Remedy is sold for one dollar a bottle at all drug stores.

You may have a trial bottle of Favorite Remedy with a pamphlet of valuable medical advice sent free by mail, by sending your address to THE DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., and mentioning this paper. The proprietors of this paper guarantee the genuineness of the Remedy offered.

### "Every Month" For June.

Some surprising facts are given in Every Month for June about the great transatlantic steamships. They have often been written about from the viewpoint of the Captain and passenger, but in this article we look through the eyes of the Chief Steward. Lovers of children will read with deep interest an account of the outings of the "Little Mothers" at Pelham Park, and their pathetic observations upon the country. Fiction is well represented in this number in "The Craft of Pattie Roane," "The Colonel's Mustache," and "To the Surprise of the Giver." There are, besides, the usual Fashion Notes and the monthly article upon flowers.

The chief feature of the magazine, 15 pages of well printed new popular music, is more than usually good. There are two songs, "Chester and Dorothy," a dainty, pathetic, gem which will bring tears to the eyes of every mother who has lost a little one; and "My Little Dark Skin Lady," with a melody which is sure to make it popular. Of the two instrumental pieces, "Palmetto Patrol" has the brilliancy and swing we are accustomed to in the compositions of Holst; while "The Dance of the Peasants" will certainly not detract from the reputation of Mr. Ellis. (Every Month, New York 10 cents.)
